

ENGINEERING PROFILE

Software Engineering & Technology Delivery

Master Template

Version: 1.0

Date: 11/09/2026

Classification: Commercial Confidential

Use this master to create a concise 2-4 page client-facing profile for each engineer. Include only verified experience, valid certifications and information approved for client sharing. Personal contact details must remain excluded.

PROFESSIONAL SUMMARY

[ROLE / SPECIALISATION] with [X]+ years of professional experience in the design, development and delivery of software and technology solutions.

Experienced across:

[CAPABILITY]

[CAPABILITY]

[CAPABILITY]

[CAPABILITY]

Strong technical background in [MAIN TECHNOLOGIES], with experience contributing to [ENTERPRISE APPLICATIONS / CLOUD PLATFORMS / INTEGRATION PROJECTS / DATA SYSTEMS / OTHER].

Has worked within cross-functional engineering environments involving:

- software development
- architecture
- testing
- DevOps
- integration
- technical documentation

production support.

ARCHITECTURE & ENGINEERING EXPERIENCE

Where applicable:

- application architecture
- microservices
- API architecture
- distributed systems
- cloud-native design
- event-driven architecture
- database design
- CI/CD
- infrastructure automation
- performance optimisation
- scalability
- security-conscious engineering
- technical documentation

- code review

mentoring.

Specific experience:

[\[DETAIL\]](#)

DELIVERY EXPERIENCE

Experience working within:

- ☐ Agile / Scrum
- ☐ Kanban
- ☐ Enterprise Delivery
- ☐ Product Teams
- ☐ Distributed Teams
- ☐ Client-Facing Teams
- ☐ Cross-Functional Squads
- ☐ Production Support
- ☐ Greenfield Development
- ☐ Legacy Modernisation

LEADERSHIP EXPERIENCE

Where applicable:

- technical leadership
- architecture decisions
- engineering mentoring
- code-review ownership
- team coordination
- stakeholder communication
- technical planning
- estimation

delivery oversight.

Team Leadership Experience

[\[DETAIL\]](#)

INDUSTRY EXPERIENCE

Relevant industry exposure may include:

Financial Services

Banking

Insurance

Energy & Utilities

Telecommunications

Transportation & Logistics

Shipping & Maritime

Manufacturing

Retail & Commerce

Public Sector

Healthcare

SaaS / Technology

Professional Services

Relevant Industries

[LIST ONLY ACTUAL EXPERIENCE]

EDUCATION

CLIENT ENGAGEMENT SUITABILITY

This profile may be suitable for engagements involving:

[TYPE OF PROJECT]

[TYPE OF PROJECT]

[TECHNICAL REQUIREMENT]

[TECHNICAL REQUIREMENT]

Recommended DISTILLOGIC positioning:

[e.g. Senior Backend Engineer / Senior Full-Stack Engineer / Technical Lead / Data Engineer]

DISTILLOGIC INTERNAL PROFILE REFERENCE

Profile ID: DL-[ROLE]-[NUMBER]

The Profile ID should be used in:

- commercial proposals
- client shortlists
- resource planning
- SOW preparation

internal capability records.

PROFILE CONFIDENTIALITY

This profile is provided solely for the purpose of evaluating the individual's suitability for a potential DISTILLOGIC engagement.

The information contained herein is:

Commercial Confidential

It may not be:

- distributed beyond authorised Client personnel
- published
- used for unrelated recruitment

provided to third parties

without appropriate authorisation.

PRIOR PROFESSIONAL EXPERIENCE

Unless expressly stated otherwise, references to companies, clients, industries or projects within this profile may relate to the individual's professional experience acquired before participation in a DISTILLOGIC engagement.

Such references do not represent that the relevant organisation was a client of DISTILLOGIC TECHNOLOGIES.

PERSONAL INFORMATION

For privacy and commercial reasons, this client-facing profile normally excludes:

- personal telephone number
- personal email address
- home address
- date of birth
- identification numbers

unnecessary personal information.

All communication regarding the profile should normally be coordinated through:

PROFILE VERIFICATION

Before submission to a Client, DISTILLOGIC should internally verify:

- ☐ CV reviewed
- ☐ Professional history reviewed
- ☐ Technologies reviewed
- ☐ Seniority confirmed
- ☐ Availability confirmed
- ☐ Language level confirmed
- ☐ Certifications verified where applicable
- ☐ Client-sensitive information removed
- ☐ Candidate consent obtained where required
- ☐ Client Shareable status confirmed
