

MASTER SERVICES AGREEMENT

Software Engineering & Technology Delivery

Agreement Reference: DL-MSA-[NUMBER]

Version: 1.0

Effective Date: [DATE]

Classification: Commercial Confidential

S. D. MELAS TRADING BUSINESS x [CLIENT FULL LEGAL NAME]

MASTER TEMPLATE - client-specific fields and negotiated provisions must be completed before execution.

1. PARTIES

This Master Services Agreement (the “Agreement”) is entered into as of [EFFECTIVE DATE] by and between:

- S. D. MELAS TRADING BUSINESS, trading as DISTILLOGIC TECHNOLOGIES, a company organised and existing under the laws of Greece, having its registered office at Zoodoxou Pigis 11, Patras, Greece, VAT / Tax Identification Number EL132234268, GEMI / Registration Number 147185216000,
- hereinafter referred to as “DISTILLOGIC”,

and

- [CLIENT FULL LEGAL NAME], a company organised and existing under the laws of [COUNTRY], having its registered office at [ADDRESS], registration / VAT number [NUMBER],

hereinafter referred to as the “Client.”

DISTILLOGIC and the Client may each be referred to individually as a “Party” and together as the “Parties.”

2. PURPOSE

This Agreement establishes the general legal, commercial and operational framework under which DISTILLOGIC may provide software engineering, technology delivery and related professional services to the Client.

Specific services shall be authorised through one or more:

- Statements of Work;
- Purchase Orders;
- Call-Off Orders;
- Project Orders;
- Change Requests;

or other mutually agreed written engagement documents.

Each authorised engagement shall form part of this Agreement.

3. SCOPE OF SERVICES

Services may include, without limitation:

Software Engineering

Systems Integration

Application Modernisation

Cloud & Platform Engineering

Data & AI Engineering

Quality Engineering

Application Management

Technology Delivery

Architecture & Technical Consulting

Dedicated Engineering Teams

Engineering Squads

Work Package Delivery

Staff Augmentation

- Managed Services

Technical Support

Project & Delivery Management

No specific volume of work is guaranteed unless expressly stated in an applicable Statement of Work.

4. STATEMENTS OF WORK

Each project or engagement should be described in a separate Statement of Work ("SOW").

A SOW may define:

- scope;
- deliverables;
- responsibilities;
- team structure;
- delivery model;
- timeline;
- milestones;
- acceptance criteria;
- pricing;
- payment schedule;
- service levels;
- assumptions;
- dependencies;

project-specific contractual terms.

A SOW becomes binding when accepted by authorised representatives of both Parties or through another mutually agreed commercial authorisation process.

5. ORDER OF PRECEDENCE

In the event of inconsistency between contractual documents, the following order of precedence shall apply unless expressly agreed otherwise:

- signed amendment to this Agreement;
- applicable Statement of Work, but only for project-specific matters expressly intended to override this Agreement;
- this Master Services Agreement;
- applicable Data Processing Agreement;
- applicable Purchase Order or Call-Off Order;
- accepted Commercial Proposal;

other incorporated project documents.

A Client Purchase Order shall not amend this Agreement merely by containing additional or conflicting standard terms unless expressly accepted in writing by DISTILLOGIC.

6. DELIVERY MODELS

Services may be delivered under one or more commercial models.

- Fixed Price

Delivery against an agreed scope and price.

- Time & Materials

Billing based on approved actual effort.

- Dedicated Team

Reserved team capacity for an agreed period.

- Work Package

Defined technical delivery responsibility within a wider programme.

- Monthly Retainer

Recurring service capacity.

- Managed Services

Ongoing service under agreed operational terms.

The applicable model shall be defined in the relevant SOW.

7. PERFORMANCE OF SERVICES

DISTILLOGIC shall perform the Services:

- professionally;
- using appropriately skilled personnel;
- in accordance with the applicable SOW;
- using commercially reasonable care and skill;

in accordance with applicable agreed technical standards.

DISTILLOGIC retains responsibility for organising and managing its personnel unless a SOW expressly provides otherwise.

8. CLIENT RESPONSIBILITIES

The Client shall provide all cooperation reasonably required for the Services, including where applicable:

- timely decisions;
- stakeholder access;
- business requirements;
- technical documentation;
- system access;
- test environments;
- credentials;
- test data;
- architecture information;
- third-party coordination;
- approvals;
- acceptance decisions;
- Purchase Orders;

other dependencies identified in the SOW.

DISTILLOGIC shall not be responsible for delays caused by material Client dependencies outside its reasonable control.

9. PERSONNEL

DISTILLOGIC may assign employees, contractors, consultants or approved subcontractors to perform Services.

DISTILLOGIC shall determine personnel allocation according to:

- required role;
- technical expertise;
- seniority;
- availability;

project requirements.

Where named personnel are specified in a SOW, DISTILLOGIC shall use reasonable efforts to maintain those assignments.

10. RESOURCE REPLACEMENT

DISTILLOGIC may replace assigned personnel where reasonably necessary due to:

- resignation;
- illness;
- unavailability;
- performance;
- operational requirements;

changing project needs.

Where practicable, replacement personnel shall have reasonably equivalent qualifications and capability.

DISTILLOGIC shall use reasonable efforts to minimise disruption caused by replacement.

11. SUBCONTRACTORS

DISTILLOGIC may use qualified subcontractors in the performance of Services where appropriate.

DISTILLOGIC shall remain responsible for the performance of its subcontractors to the extent specified under this Agreement.

Subcontractors with access to Client Confidential Information shall be subject to appropriate confidentiality obligations.

Where required by applicable data-protection law, subcontractors processing personal data shall be governed by appropriate contractual safeguards.

12. PROJECT GOVERNANCE

Each material engagement should identify appropriate project governance.

Governance may include:

- Client Project Owner;
- DISTILLOGIC Delivery Owner;
- Technical Lead;
- Project Manager;
- escalation contacts;
- steering meetings;
- status reporting;
- risk management;

change control.

Governance arrangements shall be proportionate to project size and complexity.

13. CHANGE CONTROL

Changes to an agreed SOW may affect:

- scope;
- deliverables;
- architecture;
- resources;
- timeline;
- milestones;

- commercial value;

acceptance criteria.

Material changes should be documented through an approved Change Request or SOW amendment.

DISTILLOGIC is not required to perform material additional scope without appropriate written commercial authorisation.

14. FEES

The Client shall pay the fees defined in the applicable:

- SOW;
- Commercial Proposal;
- Rate Card;
- Purchase Order;

or other accepted commercial document.

Unless expressly stated otherwise:

All fees are exclusive of VAT and applicable taxes.

15. PRICING

Pricing may be based on:

- hourly rates;
- daily rates;
- monthly fees;
- project fees;
- milestone fees;
- retainers;
- blended team rates;

other agreed structures.

Rates and project prices may vary according to:

- technical complexity;
- seniority;
- engagement duration;
- resource volume;
- service levels;
- payment terms;
- contractual risk;
- location requirements;

mobilisation requirements.

16. INVOICING

Invoices shall be issued according to the applicable SOW.

They may be issued:

- monthly;
- by milestone;
- in advance;
- on mobilisation;

- through recurring retainer billing;
- or under another agreed structure.

Where required, invoices may include:

- Purchase Order reference;
- SOW reference;
- project reference;
- approved timesheets;
- billing period;
- milestone reference;
- applicable rates;
- expenses;

tax information.

17. PAYMENT TERMS

Unless otherwise stated in the applicable SOW:

Standard Payment Term: Net 30

Payment is due within thirty (30) calendar days from the date of a valid and undisputed invoice.

Alternative terms, including Net 15, Net 45 or Net 60, may be agreed in writing.

Extended payment terms may result in different commercial pricing where they materially affect delivery financing.

18. MOBILISATION PAYMENTS

An applicable SOW may require a mobilisation or advance payment before DISTILLOGIC:

- reserves significant engineering capacity;
- allocates dedicated personnel;
- incurs material project costs;
- establishes project environments;

commences delivery.

Mobilisation payments shall normally form part of the total agreed project value unless expressly stated otherwise.

19. DISPUTED INVOICES

The Client shall notify DISTILLOGIC promptly of any good-faith invoice dispute.

The notice should identify:

- invoice number;
- disputed amount;
- reason for dispute;

supporting information.

The undisputed portion remains payable according to the original due date.

A dispute regarding one invoice shall not automatically suspend payment of other valid and undisputed invoices.

20. LATE PAYMENT

If an undisputed invoice becomes overdue, DISTILLOGIC may:

- issue written payment reminders;
- request immediate settlement;
- charge applicable contractual or statutory interest where permitted;

- recover eligible collection costs;

suspend Services where permitted under this Agreement.

The Parties shall use reasonable efforts to resolve payment issues promptly.

21. SUSPENSION FOR NON-PAYMENT

Where a material undisputed amount remains overdue, DISTILLOGIC may suspend Services after:

written notice to the Client; and

a reasonable opportunity to cure the payment default.

Immediate suspension may be permitted where continued delivery would create material financial, security or legal risk.

A permitted suspension for Client non-payment shall not constitute voluntary abandonment of the Services by DISTILLOGIC.

22. EXPENSES

Unless expressly included in pricing, approved project expenses may be invoiced separately.

These may include:

- travel;
- accommodation;
- transport;
- visas;
- project-specific software;
- third-party services;

specialised infrastructure.

Material reimbursable expenses should be approved in advance where practicable.

23. TAXES

Each Party shall be responsible for taxes legally imposed upon it.

Fees quoted by DISTILLOGIC are exclusive of:

- VAT;
- sales taxes;
- withholding taxes;
- similar applicable taxes,

unless expressly stated otherwise.

Where withholding is legally required, the Parties shall cooperate in good faith regarding appropriate tax documentation.

24. ACCEPTANCE

Where deliverables are subject to formal acceptance, the applicable SOW shall define:

- deliverables;
- acceptance criteria;
- review period;

rejection procedure.

Unless otherwise agreed, the Client should provide acceptance or a documented material rejection within:

10 business days

of delivery.

Any rejection must identify the relevant unmet acceptance criteria.

25. DEEMED ACCEPTANCE

Where expressly incorporated into the applicable SOW, a deliverable may be deemed accepted if:

- the agreed review period expires without material written rejection;
- the Client deploys the deliverable to production;
- the Client materially uses the deliverable for business operations;

the Client proceeds to a dependent project milestone.

26. INTELLECTUAL PROPERTY — PRE-EXISTING MATERIALS

Each Party retains all rights in intellectual property owned or developed independently before the applicable engagement.

DISTILLOGIC retains ownership of its pre-existing:

- methodologies;
- frameworks;
- libraries;
- templates;
- development tools;
- processes;
- know-how;
- reusable components;

generic technical materials.

No ownership transfer occurs unless expressly agreed.

27. PROJECT DELIVERABLES

Ownership of project-specific deliverables shall be defined in the applicable SOW.

Where the Parties agree that project-specific intellectual property will transfer to the Client, such transfer may be conditional upon:

full payment of the corresponding agreed fees.

Any transfer shall not automatically include DISTILLOGIC pre-existing materials or generic reusable know-how.

28. OPEN-SOURCE SOFTWARE

Deliverables may contain or depend upon open-source software.

Open-source components shall remain subject to their applicable licences.

Nothing in this Agreement transfers ownership of third-party open-source software to either Party.

29. THIRD-PARTY MATERIALS

Third-party software, tools, platforms or services remain subject to the rights and restrictions imposed by their respective owners.

The Client shall be responsible for required third-party licences where the applicable SOW so provides.

30. CONFIDENTIALITY

Each Party shall protect the other Party's Confidential Information.

Where a separate Mutual Non-Disclosure Agreement has been executed, that NDA shall continue to apply unless expressly superseded.

Confidential Information includes, without limitation:

- business information;
- pricing;
- technical information;
- architecture;
- source code;
- security information;
- customer information;
- CVs;
- engineering profiles;

project documentation.

31. CLIENT DATA

Client Data remains the property of the Client or its applicable owner.

DISTILLOGIC shall use Client Data solely as necessary to perform the Services.

DISTILLOGIC shall not acquire ownership rights in Client Data merely by processing or accessing it.

32. DATA PROTECTION

Each Party shall comply with applicable data-protection legislation.

Where DISTILLOGIC processes personal data on behalf of the Client in a manner requiring a processor agreement, the Parties shall execute an appropriate:

Data Processing Agreement (DPA)

before or in connection with the relevant processing activity.

33. INFORMATION SECURITY

DISTILLOGIC shall apply reasonable technical and organisational measures proportionate to the applicable engagement.

Measures may include:

- identity management;
- access controls;
- role-based permissions;
- authentication controls;
- secrets management;
- encryption;
- secure development practices;
- dependency management;
- code review;
- logging;
- monitoring;

auditability.

Client-specific security requirements shall be documented separately where required.

34. SECURITY INCIDENTS

Where DISTILLOGIC becomes aware of a confirmed security incident materially affecting Client systems or data under its control, DISTILLOGIC shall notify the Client without undue delay in accordance with applicable contractual and legal requirements.

The Parties shall cooperate reasonably in investigating and mitigating the incident.

35. WARRANTIES

DISTILLOGIC warrants that Services will be performed:

- professionally;
- with commercially reasonable care and skill;
- by appropriately qualified personnel;

materially in accordance with the applicable SOW.

Unless expressly stated otherwise, DISTILLOGIC does not warrant that software will be entirely error-free or uninterrupted.

36. DEFECT REMEDIATION

Where a fixed-price deliverable materially fails agreed acceptance criteria due to a defect attributable to DISTILLOGIC, DISTILLOGIC shall use reasonable efforts to correct the defect within an appropriate period.

This obligation does not apply where the issue arises primarily from:

- Client changes;
- unauthorised modifications;
- third-party systems;
- unsupported environments;
- incorrect Client information;
- misuse;

requirements outside the agreed scope.

37. EXCLUDED WARRANTIES

Except as expressly provided in this Agreement or an applicable SOW, all other warranties shall be excluded to the maximum extent permitted by applicable law.

38. LIMITATION OF LIABILITY

Except for liabilities that cannot legally be limited or excluded, each Party's aggregate liability arising from a specific SOW should normally be limited to:

[100% OF FEES PAID OR PAYABLE UNDER THE AFFECTED SOW DURING THE PRECEDING 12 MONTHS]

or such other liability cap as the Parties agree in the applicable SOW.

The final liability cap should be commercially appropriate to:

- project value;
- risk;
- insurance;
- regulatory exposure;

service criticality.

39. EXCLUSION OF INDIRECT LOSS

To the maximum extent permitted by applicable law, neither Party shall be liable to the other for indirect, incidental or consequential losses, including loss of:

- anticipated profit;
- business opportunity;
- goodwill;
- indirect revenue;
- anticipated savings,

except where expressly agreed or where such exclusion is prohibited by law.

40. LIABILITY EXCEPTIONS

Any exclusions or caps applicable to the following matters shall be subject to the final negotiated Agreement and applicable law:

- fraud;
- fraudulent misrepresentation;
- wilful misconduct;
- death or personal injury where liability cannot lawfully be limited;
- intentional breach of confidentiality;
- infringement of third-party intellectual property;
- material data-protection violations;

other liability that cannot legally be excluded.

The exact treatment of these categories should be reviewed by legal counsel.

41. INTELLECTUAL PROPERTY CLAIMS

Where specifically agreed, DISTILLOGIC may provide reasonable defence or remediation relating to third-party intellectual-property claims arising directly from original deliverables created by DISTILLOGIC.

Such obligations shall not apply to claims arising from:

- Client-provided materials;
- Client specifications;
- unauthorised modifications;
- combination with unsupported third-party systems;
- continued use after notice of infringement;

third-party or open-source components.

Detailed IP indemnity provisions may be negotiated depending on engagement risk.

42. CLIENT INDEMNITY

The Client shall remain responsible for materials, data, instructions and intellectual property it provides to DISTILLOGIC.

The Parties may agree appropriate indemnification where claims arise from Client-supplied materials or unlawful Client instructions.

43. NON-SOLICITATION OF PERSONNEL

During the term of an applicable engagement and for [12 months] following its conclusion, neither Party should knowingly solicit for direct employment or direct contracting personnel of the other Party who were materially involved in that engagement, except:

- through general public recruitment not specifically targeted;
- where the individual independently approaches the other Party without solicitation;

where otherwise agreed in writing.

Any direct-hire or conversion arrangement should be commercially agreed between the Parties.

44. DIRECT HIRE / CONVERSION

Where a Client wishes to directly hire or contract a DISTILLOGIC resource introduced through the engagement, the Parties may agree:

- a conversion fee;
- recruitment fee;
- release fee;

other reasonable commercial arrangement.

Any financial amount should be defined in the applicable SOW, commercial schedule or written agreement and reviewed for enforceability.

45. NON-EXCLUSIVITY

Unless expressly agreed otherwise, this Agreement is non-exclusive.

DISTILLOGIC may provide services to other clients, including organisations operating in similar industries, provided that it complies with its confidentiality obligations.

The Client may engage other technology suppliers.

46. CONFLICTS OF INTEREST

DISTILLOGIC shall use reasonable efforts to identify material conflicts of interest affecting an engagement.

Where identified, the Parties shall discuss appropriate mitigation.

47. PUBLICITY

Neither Party may use the other Party's:

- name;
- logo;
- trademarks;

project information

in public marketing without prior written consent.

DISTILLOGIC shall not represent the Client as a customer reference without appropriate authorisation.

48. AUDIT & RECORDS

DISTILLOGIC shall maintain appropriate records supporting invoices and Services where required under the applicable SOW.

Any Client audit right shall be:

- reasonable;
- relevant to the Services;
- subject to confidentiality;
- conducted during normal business hours;

not unnecessarily disruptive.

Audit rights relating to security, personal data or regulated projects may be separately agreed.

49. INSURANCE

DISTILLOGIC shall maintain insurance coverage appropriate to its business activities and contractual obligations where commercially required.

Specific insurance limits may be defined in a SOW or Client supplier-onboarding requirements.

No insurance commitment shall be deemed made unless expressly agreed.

50. BUSINESS CONTINUITY

Where relevant to the Services, DISTILLOGIC shall maintain reasonable business-continuity arrangements appropriate to the nature and scale of the engagement.

Project-specific disaster-recovery or continuity obligations must be expressly defined.

51. FORCE MAJEURE

Neither Party shall be liable for delay or failure to perform obligations caused by events beyond its reasonable control, including where applicable:

- natural disasters;
- war;
- civil unrest;
- widespread infrastructure failure;
- government action;
- major telecommunications outage;
- widespread cyber event;

labour disruption not reasonably controllable.

The affected Party shall notify the other Party and use reasonable efforts to mitigate the impact.

Payment obligations for Services already properly performed shall not normally be excused by force majeure.

52. TERM

This Agreement shall commence on the Effective Date and continue for:

[INITIAL TERM — e.g. 24 MONTHS]

unless terminated earlier.

Thereafter, the Agreement may:

- automatically renew;
- renew by mutual agreement;
- continue until terminated,

as selected by the Parties.

53. TERMINATION FOR CONVENIENCE

Either Party may terminate this Agreement for convenience by providing:

[30 / 60 / 90] days' written notice.

Termination of the MSA shall not automatically terminate an active SOW unless the applicable SOW or termination notice expressly provides otherwise.

54. TERMINATION FOR CAUSE

Either Party may terminate this Agreement or an affected SOW where the other Party:

- commits a material breach;

- fails to remedy a curable material breach after written notice;
- becomes insolvent;
- ceases material business operations;

repeatedly fails to meet material contractual obligations.

A standard cure period may be:

15–30 days

unless the breach is incapable of remedy or requires faster action.

55. EFFECT OF TERMINATION

Upon termination:

The Client shall pay all properly due amounts for:

- Services performed;
- accepted milestones;
- authorised work in progress;
- approved expenses;

committed costs where contractually applicable.

Each Party shall return or protect Confidential Information according to its continuing obligations.

56. TRANSITION ASSISTANCE

Where reasonably requested and commercially agreed, DISTILLOGIC may provide transition assistance following termination or expiry.

Transition assistance may include:

- documentation;
- knowledge transfer;
- source-code transfer;
- deployment information;

operational handover.

Additional transition work may be billable unless included in the applicable SOW.

57. COMPLIANCE WITH LAW

Each Party shall comply with laws applicable to its respective obligations under this Agreement.

Project-specific regulatory obligations must be identified in the applicable SOW.

58. ANTI-BRIBERY & ETHICAL BUSINESS

Each Party shall comply with applicable anti-bribery and anti-corruption laws.

Neither Party shall knowingly offer, authorise or accept improper payments in connection with this Agreement.

59. EXPORT CONTROLS & SANCTIONS

The Parties shall comply with applicable export-control and sanctions requirements where relevant to the Services, technologies or jurisdictions involved.

Neither Party shall require the other to knowingly perform an unlawful transaction.

60. INDEPENDENT CONTRACTORS

The Parties are independent contractors.

Nothing in this Agreement creates:

- partnership;
- joint venture;
- agency;
- fiduciary relationship;

employer-employee relationship

between the Parties.

DISTILLOGIC personnel remain under the contractual responsibility of DISTILLOGIC or their applicable employing/contracting entity.

61. ASSIGNMENT

Neither Party may assign this Agreement without the other Party's prior written consent, such consent not to be unreasonably withheld, except where assignment occurs as part of:

- merger;
- corporate reorganisation;
- sale of substantially all relevant assets;

acquisition.

The successor must assume the relevant contractual obligations.

62. NOTICES

Formal notices shall be sent to authorised contacts.

63. GOVERNING LAW

Unless otherwise negotiated:

Laws of Greece

shall govern this Agreement.

64. DISPUTE RESOLUTION

The Parties shall initially attempt to resolve disputes through good-faith escalation between authorised management representatives.

If a dispute cannot be resolved commercially, either Party may pursue available legal remedies.

The Parties may separately agree to:

- mediation;
- arbitration;

another dispute-resolution process.

65. JURISDICTION

Unless otherwise agreed:

Courts of Patras, Greece

shall have jurisdiction, subject to mandatory legal rules.

66. ELECTRONIC SIGNATURES

This Agreement and related SOWs may be executed electronically where legally permitted.

Electronic signatures and exchanged signed copies may be treated as originals.

67. COUNTERPARTS

This Agreement may be executed in counterparts.

All signed counterparts together constitute one agreement.

68. AMENDMENTS

Any material amendment must be made in writing and agreed by authorised representatives of both Parties.

Project teams do not have authority to amend this Agreement unless expressly authorised.

69. WAIVER

Failure to enforce a contractual right immediately shall not constitute waiver of that right.

Any waiver must be expressly made in writing.

70. SEVERABILITY

If any provision is invalid or unenforceable, the remaining provisions shall continue in effect.

The affected provision should be interpreted or modified to the minimum extent necessary to make it valid where legally possible.

71. ENTIRE AGREEMENT

This Agreement, together with incorporated SOWs and other expressly incorporated documents, constitutes the agreement between the Parties regarding the Services.

It supersedes prior discussions relating to the same subject matter, except where expressly preserved.

72. SURVIVAL

Provisions intended by their nature to survive termination shall continue, including where applicable:

- payment obligations;
- confidentiality;
- intellectual property;
- data protection;
- liability;
- dispute resolution;
- non-solicitation;

accrued rights.

73. AUTHORITY

Each person signing represents that they have authority to bind the applicable Party.

LEGAL REVIEW NOTICE

This MSA is a commercial contract template and is not a substitute for transaction-specific legal advice.

Before first execution, DISTILLOGIC should have the template reviewed by qualified legal counsel, particularly the provisions concerning:

- limitation of liability;
- indemnities;
- intellectual property;
- direct-hire / non-solicitation;
- termination;
- data protection;
- insurance;
- foreign governing law;

regulated or high-risk projects.

Material deviations requested by enterprise clients should also be reviewed before acceptance.
